

MersenneTwister.h

```
graph TD; MT[MersenneTwister.h] --> iostream; MT --> climits; MT --> cstdio; MT --> ctime; MT --> cmath;
```

A diagram illustrating the dependencies of the MersenneTwister.h header file. The header file is shown in a grey box at the top, with five arrows pointing down to five white boxes representing the included headers: iostream, climits, cstdio, ctime, and cmath.

iostream

climits

cstdio

ctime

cmath
